John Robinson Soccer School: The Professional Way

BACKGROUND

Winter is here, which means the JRSS 3 Day Winter Camp is back. Since 2009, JRSS introduced its 3 day Winter Camp, in SWF starting in Fort Myers, then in 2010 expanding to Sanibel Island & now this year we are expanding again with the addition of Gateway in the SWF area. As well as the SWF area, we are now expanding our 3 Day Winter Camp here in Key West thanks to our successful, Competitive Summer Camp & the relationship we have built up with the local soccer community. JRSS was also pleased to help organize 2 games in SWF for the Key West u-14 boys travel team. Our Winter Camp is a great introduction camp, for our "BIG" Summer Camps & is for any player, because the most important part is that everyone enjoys the great sport of Soccer. So come along & see why JRSS Camps are now the #1 Camp's in SWF. JRSS thanks all the players & parents who have supported our organization in 2010 & wishes everyone a very "Merry Christmas & Happy New Year".

"Score For Malia Program"

JRSS is donating a percentage of its Winter & Summer Camps, towards our new "Score For Malia Program". This is a program that we introduced to help raise funds & awareness for a little 2 half year old girl named Malia Jusczyk who is fighting IV Neuroblastoma Cancer. You can view more information or donate at: www.maliacrushescancer.com or www.johnrobinsonsoccerschool.com

MEET THE STAFF

JRSS is very excited to have been able to add some great additional coaches to our staff over the past year to work alongside our UK based coaches. **Will MaCardle**, who is presently the Director Of Academy at Lee County Strikers, & has played Division 1 Collegiate level & was part of the of the Fort Myers Summer Camp in 2011, & is one of the top coaches in SWF. Key West's very own **Tom Bellingham** played with a professional soccer club in England & was involved with youth soccer in England for a long time before he came over to America & was also involved at the Collegiate level. Tom is now coaching the U-14 boys travel team as well as in the u-6 recreational program & is presently coaching some girls from the u-11 girls travel team. Tom was also part of the 1st Key West Competitive Camp in 2010 & has been very instrumental in bringing the JRSS organization to Key West.

Kaitlyn Farrel: Played Collegiate Division 1 & also played in the professional women's league & is one of the top women's coaches in SWF. **Greg Sharp**, who played high level youth soccer in the United Kingdom, as well as being a D Licensed Coach, & coaching at several of our Camps the past year Coaches from my successful Summer Camps will be returning from the U.K. All children will be placed with their own coach ensuring supervision at all times.
