

Please join John Robinson Soccer School in our **“Score for Malia”** program to support my friend, Glen Juszck’s. His 2 and half year old daughter, Malia Dakota Juszyk is fighting against stage 4 Neuroblastoma.

Your support will go directly to the **Malia Crushes Cancer** fund to off-set her growing medical costs and show her that she has a world of fans supporting her fight. Together we can all make a difference. Malia continues to inspire many people with her courage and strength and it is our turn to return the favor.

Pledge \$1 per goal or a dollar amount for every goal your team scores over the season or even a flat fee that will go directly to Malia’s fund. Your players will have an added incentive to score as they know each Goal counts for Malia. Additional prizes and scholarships are being offered from John Robinson Soccer to the clubs that are involved in this program.

John Robinson Soccer School and Malia Crushes Cancer will also be hosting an online auction in the coming months, with several memorabilia items to bid on. 100% of the proceeds go to **Malia Crushes Cancer**. Let’s show Malia that the SWF soccer community is behind her and together we can crush this disease.

For more information about Malia and her fight please visit www.maliacrushescancer.com and see why she continues to inspire those around her. For more information about the “Score For Malia” fundraiser, please call John Robinson at 239-849-0283 or visit; www.johnrobinsonsoccerschool.com
